

## **BEEF REFERENDUM**

### **OFFICIAL REFERENDUM BALLOT**

Shall the producers of beef or dairy cattle assess themselves at the rate of one dollar (\$1.00) per head of cattle sold, and use the funds so collected by the department of agriculture and paid over to the Tennessee beef promotion board to finance a program of research, education, market development, marketing, advertising and other methods designed to promote the increased production, consumption, use and sale of beef products? This assessment, authorized by Tennessee Code Annotated 43-29-101, et seq, shall become effective only if the beef assessment program operated under federal statutes is terminated. The state beef assessment program authorized by this referendum will become effective the day following termination of the federal program.
